**PROPERLY DISPLAY YOUR ADDRESS NUMBERS SO YOU CAN BE LOCATED IN AN EMERGENCY**

Seconds count in an emergency! Are your numbers clearly visible from the street?

Fire, ambulance, and police personnel who have never been to your house need to be able to locate you quickly when you call. Help them find you by following these guidelines for posting your address on your home or business:

**On roadside mailboxes:**

**SIZE:** The larger the numbers, the better! Standing 6 feet away, 1" letters may seem just fine to you, and are ok for the postman. However, when an ambulance is rushing in at night to help a heart attack victim, 1" letters are extremely difficult to see. A minimum of a 3" reflective block-style (not script – too hard to read quickly) letter is recommended for mailboxes/posts.

**VISIBILITY:** Be certain that the color of your numbers contrasts with the color of your mailbox or post. Also make sure that decorations or flags do not obscure the numbers. If you live on a through street, an emergency vehicle could approach from either side, so number both sides of the mailbox or post.

**On a building:**

**SIZE:** Again, the bigger, the better. Since the house is farther from the street, use larger numbers than the mailbox; we recommend 4"-6", contrasting color, no script or brass.

**VISIBILITY:** Again, ensure that no decorations or flags obscure the numbers.

**HERCULANEUM FARMER & VENDOR MARKET**

The Herculaneum Farmer & Vendor Market opened on Tuesday, May 4 at the Herculaneum City Park, 776 Joachim Avenue. The market will be open each Tuesday, (weather permitting) through mid-October from 4:00 pm to 7:00 pm. The market will be held under the pavilion at Kade's Playground.

Herculaneum Farmer & Vendor Market is now accepting vendor applications at [herkymarket@gmail.com](mailto:herkymarket@gmail.com). Vendor spaces are \$10.00 per week. Vendors are responsible for their own tables, chairs and tents.

For complete information including rules and guidelines, please contact the Market Master at the email address above.

**GRASS CLIPPINGS ON STREETS AND SIDEWALKS**

Grass clippings, leaves and other yard waste should not be blown onto sidewalks and into the streets.

Grass, leaves and other yard waste will block storm drains and eventually end up in creeks, streams and rivers.

Yard waste on streets and sidewalks can also create a slippery surface that can be hazardous to vehicles, cyclists, runners and pedestrians.

Yard clippings can be bagged for yard waste pickup or should be blown back into the lawn from where they originated.

**YARD WASTE AND BULK ITEM COLLECTION**

**YARD WASTE COLLECTION:** The date for yard waste collection will be the fourth (4th) Wednesday of each month. Yard waste must be placed in brown paper yard waste bags or a can clearly marked as yard waste. Yard waste in plastic bags will not be picked up. Limbs can be picked up if they are bundled together and are no longer than four feet in length.

**BULK ITEM COLLECTION:** The date for bulk item collection will be on the FIRST and THIRD week of your weekly trash collection. Residents must call in to the Customer Service Center (636 321-2100) twenty-four (24) hours in advance to schedule pickup and identify bulk items. "White Good" items will require a \$25.00 sticker fee and can be purchased by calling the Customer Service Department.

Bulk items and yard waste must be set out curbside by 6:00 am on the scheduled collection day.
